

Advocate Volunteer Program

Thank you for your interest in becoming a volunteer with the Advocate Department at Crisis Services! We are the Designated Rape Crisis Center for Erie County as well as an approved Non-Residential Domestic Violence Program. We offer several services to any individual in the county who is affected by the trauma of domestic or family violence, elder abuse, rape, and sexual assault.

We provide a 40-hour training to applicants four times a year. This program provides a NYS Department of Health approved curriculum meant to educate applicants on all aspects of working with survivors. Upon completion of this training, applicants will be prepared to provide one-on-one crisis intervention to survivors. The topics in this curriculum include but are not limited to: the dynamics of domestic violence, elder abuse, rape and sexual assault; the medical and legal rights of a survivor, and supportive counseling skills.

NOTE: We also welcome interns seeking school credit in various fields of learning. If interested, please contact the Training Specialist to determine if this program is the right fit.

Requirements for acceptance into training include:

- Applicants must be 18 years of age or older.
- Applicants must provide personal transportation to and from field assignments.
- Applicants must pass a background and DMV check.
- Applicants must commit to at least 6 months of service, 24 hours each month, providing direct client crisis intervention in the hospital setting.
